

Welcome to the 2013 FALL Meadows Monster Scavenger Hunt

Mission: Find a meadows monster token, good for free admission only to "Dual at Dawn" 2013.

In order to cash in on the face value of the monster token, they have to be damage free, please. As you can tell, a lot of time and money went into these tokens and we would like to reuse at future monster events. Thanks for your consideration and have fun.

Rules:

- 1.) One token per participant only.
- 2.) You cannot collect more than one token or save additional tokens for future events. They are only good for the 2013 spring race.
- 3.) Team hunting for tokens, if you team hunt please only take one per team, we will use the honor system.
- 4.) As time passes, we will give out more clues to the whereabouts of the remaining tokens. Check daily at meadowsmonster.com to see if any tokens have been found and reported.
- 5.) For those who find a token, please email meadowsmonster@gmail.com and identify the location of the found token and your name. We will then post on the Meadows Monster web site for fellow hunters to see. This will help hunters not to waste time on tokens already found. We will post a picture if you want to brag that you found one.

CAUTION: THE **MEADOWS IS CLOSED** (Bike course outside of Lowell Park). **MONDAY THRU FRIDAY** IN OCTOBER FOR BOW HUNTING, PLEASE BE RESPECTFUL OF THIS.

The meadows is open on the weekends for all the bike training you can handle, thank you.
